A ROLLING STONE

This is the story about two stones (this is the story about two stones)

One that played outside and one that stayed home (one that played outside and one that stayed home)

One rolled up to the top of the hill (one rolled up to the top of the hill)

And the other at the bottom stayed very very still

One got a ride on a mighty mighty hawk (one got a ride on a mighty mighty hawk)

The other stayed inside just staring at a box (the other stayed inside just staring at a box)

Now the rolling stone got healthy as an ox (now the rolling stone got healthy as an ox)

But the stay at home stone is covered in moss (but the stay at home stone is covered in moss)

So get up, get out, move around

So get up, get out, move around

Shake it up, yeah shake it like a boss (shake it up, yeah shake it like a boss)

Cause a rolling stone gathers no moss (cause a rolling stone gathers no moss)

Shake it up, yeah shake it like a boss (shake it up, yeah shake it like a boss)

Cause a rolling stone gathers no moss (cause a rolling stone gathers no moss)

You gotta move, move around

You gotta dance, to the sound

You gotta jump, jump, jump, jump, jump up and down

You gotta jump, jump, jump, jump, jump up and down

On va bouger, se secouer

On va danser et s'amuser

On va sauter, haut haut haut on va sauter

On va sauter, haut haut haut on va sauter

You gotta skip, skip and stroll

You gotta shake, lose control

You gotta rock, rock, rock, rock, rock and roll

You gotta rock, rock, rock, rock, rock and roll

You gotta rock, rock, rock, rock, rock and roll

You gotta rock, rock, rock, rock, rock and roll

This is the story about two stones (this is the story about two stones)

One that played outside and one that stayed home (one that played outside and one that stayed home)
